| Waist:Hip Ratio | 0.9142857142857143 |
| BP _Systolic (mmHg) | 120 |
| BP _Diastolic (mmHg) | 80 |

Prediction:

You are likely to have PCOS

Disclaimer: The PCOSCare web app provides a prediction based on the data you entered. This prediction is derived from a dataset of 541 patients from Kerala, India, and is intended for informational purposes only. It is not a medical diagnosis and should not be used as a substitute for clinical evaluation. The accuracy of the prediction is limited by the

dataset's scope and quality, and the results may not be applicable to all populations. Always consult a healthcare professional for a comprehensive diagnosis.
